GOOD BLOOD

NEEDED IN
SPRINGTIME

People with Poor Appetite. Bad Complexions and "Spring Fever" Need a Blood Tonic

GUD'S PEPTO-MANGAN IS BEST

Makes Rich Red Blood—Renews Vitality and Increases Body's Resistance to Disease

Spring is the time when good blood is so vital to health. If you do not feel the thrill of Spring in your blood, if you take no pleasure in living, if your appetite is poor, your complexion pallid or muddy, and you tire easily, you can be pretty sure your blood is not up to the mark. So many feel that way in the Spring. Especially housewives who have so much work to do. They get over-tired and run-down—their blood becomes weak and thin.

Build up your health now by taking that splendid Spring blood tonic, Gude's Pepto-Mangan. It will give vital power to the red corpuscles in your blood. They will go racing through your blood, carrying fresh supplies of oxygen to all the tiny cells. It will help improve your color and your appetite. You'll take more interest in things and enjoy life more. You will stop going around with that tired, all-gone feeling.

Physicians have subscribed Gude's Pepto-Mangan for thirty years. You can get it at your druggist's in either tablet or liquid form. Take whichever you prefer. They have the same medicinal value. Get the genuine.—Advertisement.

Mr. Marvin Ollie Conover, who was born October 18, 1905, departed this life December 28, 1920. Marvin was the beloved son of Mr. and Mrs. Mont Conover. He was endowed with a noble character, earnest and persevering in life's activities, an obedient son, who was loved and respected. Dear parents, may the dark clouds of gloom be lifted and a loftier and brighter hope of blessed reunion meet you.

Dear Marvin, with memories tears for you in sadness flow.

We weep today as when we wept for you a few months ago.

Death took you from us, and we are left here to mourn;

But we hope to be reunited, when we meet before Gods throne.

Our hearts are sad and lonely, the home tie is broken, oh! we no longer know the pleasures of that happy home of just a few months ago. But by the grace of God, some day, dearest Marvin, we hope to meet you after the victory, has been won.
